ADG.2S

0,53

min 6.3bar
(90 PSI)

20.000

Practical air grinders, suitable for nearly every workshop and available in straight and 90° angle version. Excellent for grinding, polishing, deburring and smoothing sharp edges.

Technical data

	ADG.2A
Free speed:	20.000 rpm
Capacity:	6mm
Air inlet (PT):	1/4"
Air hose (ID):	3/8"
Avg. air consumption:	4 SCFM
Working pressure:	90 psi (6.3 bar)
Length:	193 mm
height:	70 mm
Weight:	0.53 kg

	ADG.2S
Free speed:	20.000 rpm
Capacity:	6mm
Air inlet (PT):	1/4"
Air hose (ID):	3/8"
Avg. air consumption:	5 SCFM
Working pressure:	90 psi (6.3 bar)
Length:	193 mm
height:	70 mm
Weight:	0.67 kg

Features

- Excellent for grinding, polishing, deburring and smoothing sharp edges
- Adjustable rear speed regulator in 4 positions
- 360 degree adjustable exhaust deflector
- Safety lever trigger, prevents accidental starts
